National Advanced Youth Leadership Experience

WHAT IS NAYLE?

- ✦ National Advanced Youth Leadership Experience (NAYLE) is an exciting outdoor program where young men and women enhance their leadership skills while learning skills such as Wilderness First Aid, GPS Navigation and Search and Rescue. Courses will now also be held at four select scout camps around the country. Youth will expand upon the team building and ethical decision making skills learned in National Youth Leadership Training (NYLT). NAYLE emphasizes leadership, teamwork, and selfless service using the core elements of NYLT to make these skills intuitive.

WHAT CAN I EXPECT?

- ✦ NAYLE is a very special experience. You will camp and live in a team setting that enables participants to use their leadership skills to resolve challenging situations. The week concludes with a closing challenge for each Scout to use what they've learned in service to others.

WHAT WILL I TAKE HOME FROM NAYLE?

- ✦ The skill, ability, and motivation to be a dynamic and effective leader taught through advanced, practical applications of NYLT skills.
- ✦ Innovative techniques to deliver NYLT and Kodiak skills to units and councils.
- ✦ Nationwide resources including new ideas and contacts that can only be gained through a program of this type.
- ✦ Personal written commitment to apply NAYLE skills back home.

WHO CAN COME?

- ✦ Youth must be at least of 14 years old, and not yet 21, hold a unit leadership position, and have completed NYLT. An NYLT to NAYLE bridge course is available for Venturers who have not been able to take NYLT. Councils may send a council contingent, units may send their leadership teams, or Scouts can come alone.
